Dear Ms. Deans,

The Standing Committee on Industry, Science, and Technology, wishes to express our deep gratitude to all of your mentors. Please accept this as an official commendation from the Standing Committee on Industry, Science and Technology for what your mentors invest into our community. They are helping build not only the economy, but the character of young people as well, when they teach them how to reasonably take risk and the ins-and-outs of starting a successful business. Please pass along our commendation to them.

Our Sincerest Thanks,

David Sweet, Chair

On behalf of the Standing Committee on Industry, Science, and Technology
